

Dashboard Login View

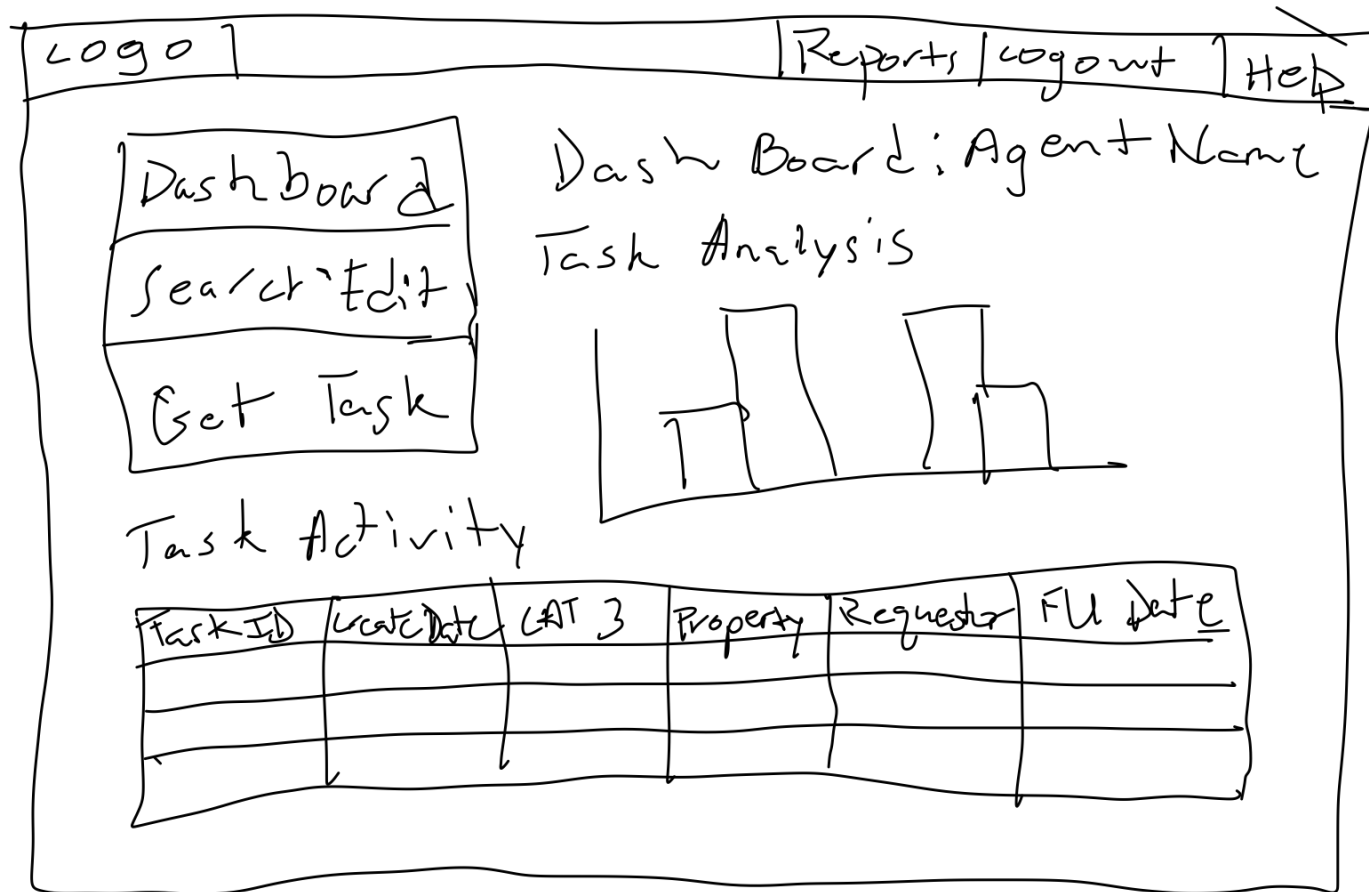

/dashboard (/ redirects to /dashboard)

A hand-drawn sketch of a login form. The form is enclosed in a rounded rectangle. At the top, there are two radio buttons: the first is labeled 'Manager' and the second is labeled 'Analyst'. Below these, the word 'User' is written. Under 'User' is a horizontal input field. Below that, the word 'Password' is written, followed by another horizontal input field. At the bottom left, the text 'Reset Login' is underlined. At the bottom right, there is a button labeled 'Login'.

- Has link to login reset option.
- Has 3 input fields. (Username, Password & User Type)
- Has 1 submit button. (Login)

Analyst Dashboard View

/dashboard?name=\${username}

- Has sidebar w/ 2 links. (Dashboard, Search Task) & 1 button (Get Task)
- Display's table w/ user's assigned task, a link to the task details page & relevant task details
- Display's graph of Task Analysis. (Completed Task & 5hr Ticket Status)

Search Task View

/search

The wireframe shows a web interface for searching tasks. At the top is a navigation bar with 'Logo', 'Reports', 'Logout', and 'Help'. On the left is a sidebar with 'Dashboard', 'Search & Edit', and 'Get Task'. The main content area is titled 'Search Task:' and contains four radio buttons for search criteria: 'Task ID' (selected), 'Priority', 'Cat 3', and 'Target Date'. To the right of these is a text input field labeled 'Task ID' and a 'Submit' button. Below the search options is the text 'Task Activity By Search'. At the bottom is a table with six columns: 'Task ID', 'Create Date', 'CAT 3', 'Priority', 'Requester', and 'Full Date'. The table has three empty rows for data.

Task ID	Create Date	CAT 3	Priority	Requester	Full Date

- Has sidebar w/ 2 links. (Dashboard, Search Task) & 1 button (Get Task)
- Display's table w/ user's assigned task, a link to the task details page & relevant task details by search criteria
- Display's radio options for searching task request assigned to user
